To the shareholders and holders of Depositary Interests of Gem Diamonds Limited

Notice of Annual General Meeting 2013

Dear shareholder,

It gives me great pleasure to invite you to attend the sixth Annual General Meeting of Gem Diamonds (the "AGM") which we are holding at The Grosvenor Hotel, 101 Buckingham Palace Road, London SW1W 0SJ at 9.30 a.m. (London time) on 11 June 2013.

This document includes the Notice of AGM in which we have set out the resolutions on which shareholders are being asked to vote. Resolutions 1 to 14 are standard matters that are dealt with at every AGM. Resolutions 15 and 16 are likely to be AGM items every year because they enable your Directors to take advantage of business opportunities as they arise. All resolutions to be put to a vote at the AGM will be decided by way of a poll. An explanation of the business to be conducted at the meeting is included on pages 7 to 9 of this document.

The AGM provides shareholders with an opportunity to communicate with their Board and I hope that you will make use of this.

Your Board considers that the proposals described in this document are in the best interests of the Company and its shareholders and holders of Depositary Interests as a whole and your Board unanimously recommends that shareholders and holders of Depositary Interests to vote in favour of the resolutions. Those Directors who hold ordinary shares in the Company intend to vote their shares in favour of the resolutions to be proposed at the AGM (other than in respect of their own re-election as a Director).

I would also encourage shareholders and holders of Depositary Interests to exercise their right to vote on the business of the meeting in the following ways:

- shareholders who hold their shares in certificated form will find enclosed with this document a Form of Proxy. Whether or not they intend to be present at the AGM, such shareholders are requested to complete the Form of Proxy in accordance with the instructions printed on it and return it as soon as possible and in any case so as to be received by Capita Registrars, PXS, 34 Beckenham Road, Beckenham, BR3 4TU, (by post) or Capita Registrars Limited, The Registry, 34 Beckenham Road, Beckenham, BR3 4TU, (by hand) no later than 09.30 a.m. on 7 June 2013. The completion and return of a Form of Proxy will not prevent such shareholders from attending the AGM and voting in person if they wish to do so; and
- holders of Depositary Interests will find enclosed with this document a Form of Direction which may be used to instruct Capita IRG Trustees Limited, the Depositary, how to vote the number of ordinary shares in the Company represented by their Depositary Interests. Holders of Depositary Interests are requested to complete the Form of Direction in accordance with the instructions provided on it and return it as soon as possible and in any case so as to be received by Capita Registrars, PXS, 34 Beckenham Road, Beckenham, BR3 4TU, (by post) or Capita Registrars Limited, The Registry, 34 Beckenham Road, Beckenham, BR3 4TU, (by hand) no later than 09.30 a.m. on 6 June 2013.

We have announced our results for 2012, the details of which can be found in our Annual Report. Also enclosed is a copy of our separate Sustainable Development Report, which we believe gives shareholders an informative and helpful insight into the Company's approach to corporate social responsibility.

I hope you will be able to attend the AGM and look forward to seeing you.

Yours sincerely

Roger Davis
Chairman

Special Resolutions

15 Disapplication of pre-emption rights

THAT, subject to the passing of Resolution No. 14, in substitution for any existing authority to disapply pre-emption rights, which is hereby revoked, but without prejudice to any allotment or issue of securities made pursuant thereto, the Directors be and are hereby authorised to allot and issue equity securities for cash pursuant to the authority conferred by Resolution 14 without first having offered such equity securities to existing shareholders and depositary holders, provided that this power shall be limited to the allotment of equity securities up to an aggregate nominal amount of US\$69,133 (representing an amount equal to 5 per cent. of the Company's issued share capital as at 22 April 2013) for a period commencing on the date of the passing of this Special Resolution and expiring at the conclusion of the Company's next Annual General Meeting, save that the Directors may, before the expiry of such period, make an offer or agreement which would or might require such equity securities to be allotted after such expiry and, notwithstanding such expiry, the Directors may allot such equity securities in pursuance of any such offers or agreements.

Important Notes

The following notes explain the general rights of shareholders and holders of Depositary Interests and the rights to attend and vote at the Annual General Meeting or to appoint someone else to vote on their behalf.

Holders of Ordinary Shares

1. A shareholder is entitled to attend and vote at the Annual General Meeting and is entitled to appoint one or more proxies to exercise all or any of his or her rights to attend, speak and vote instead of him or her provided that each proxy is appointed to attend, speak and vote in respect of a different share or shares. A proxy need not be a shareholder. A shareholder may appoint the Chairman to vote, as per the shareholders voting instructions, or at the Chairman's discretion as he shall see fit if the shareholder has expressly authorised the Chairman under the "Discretion to Chairman" option in the voting instructions. Appointing a proxy will not prevent a shareholder from subsequently attending in person and voting at the Annual General Meeting. If a share is held by joint shareholders and more than one of the joint shareholders votes (including by way of proxy), the only vote that will count is the vote of the person whose name is listed before the other voters on the register.
2. The appointment of a proxy, and the original or duly certified copy of the power of attorney or other authority (if any) under which it is signed or authenticated, should be lodged with Capita Registrars at the address shown on the enclosed Form of Proxy no later than 9.30 a.m. on 7 June 2013, or 48 hours before the time for holding any adjourned meeting or (in the case of a poll not taken on the same day as the Annual General Meeting or adjourned meeting) for the taking of the poll at which it is to be used.
3. Any person to whom this Notice is sent who is a person nominated under Article 144.5 of the Articles of Association to enjoy information rights (a "Nominated Person") may, under an agreement between him or her and the shareholder by whom he or she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he or she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
4. The statement of the rights of shareholders in relation to the appointment of proxies in notes 1 and 2 above does not apply to Nominated Persons. The rights described in these notes can only be exercised by shareholders of the Company.
5. Only those shareholders entered on the register as at 6.00 p.m. on 9 June 2013 (or, if the Annual General Meeting is adjourned, 48 hours before the time fixed for the adjourned meeting) will be entitled to attend and vote at the Annual General Meeting in respect of the number of shares registered in their names at that time. In each case, changes to entries on the register after such time shall be disregarded in determining the rights of any person to attend or vote at the Annual General Meeting.

Holders of Depositary Interests

6. By completing the enclosed Form of Direction, holders of Depositary Interests can instruct Capita IRG Trustees Limited (the "Depositary") to vote on their behalf at the Annual General Meeting, either in person or by proxy. The Depositary will appoint the Chairman of the meeting as its proxy to cast the votes of Depositary Interest holders, as per each of the Depositary Interest holder's voting instructions, or at the Chairman's discretion as he thinks fit if a Depositary Interest holder has expressly authorised the Chairman under the "Discretion to Chairman" option in the voting instructions. Note that the Chairman will not be able to exercise his discretion automatically unless he has been expressly authorised to do so under the voting instructions. If the Form of Direction is completed without any indications as to how the Depositary should vote, the Depositary will abstain from voting the corresponding Depositary Interest in respect to the resolutions to which there are no indications as to how the Depositary should vote. If the depositary interest holder wishes to instruct the Depositary (other than electronically using CREST), it must lodge the completed Form of Direction with Capita Registrars at the address stated on the Form of Direction during normal business hours no later than 9.30 a.m. on 6 June 2013 or 72 hours before the time for holding any adjourned meeting or (in the case of a poll not taken on the same day as the Annual General Meeting or adjourned meeting) for the taking of the poll at which it is to be used.
7. Alternatively, Depositary Interest holders may instruct the Depositary how to vote by utilising the CREST electronic voting service. To instruct the Depositary how to vote or amend an instruction to vote via the CREST system, the CREST message must be received by Capita Registrars (CREST ID RA10) by 9.30 a.m. on 6 June 2013. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's Agent is able to retrieve the message. CREST Personal Members or other CREST sponsored members, and those CREST Members who have appointed voting service provider(s), should contact their CREST sponsor or voting service provider(s) for assistance. For further information on CREST procedures, limitations and system timings please refer to the CREST Manual.
8. After the Depositary has received instructions on how to vote on the Resolutions from the depositary interest holders, it will complete a Form of Proxy reflecting such instructions and return the Form of Proxy to Capita Registrars in accordance with note 2 above.
9. If you hold your shares via the Depositary Interest arrangement and would like to attend the Annual General Meeting, please contact the Depositary, contact details of which are set out in the Form of Direction.

Corporate representatives

10. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.

Before the meeting

11. To facilitate entry to the meeting, members are requested to bring with them the admission card which is attached to the proxy card.
12. Members should note that the doors to the Annual General Meeting will be open at 9.00 a.m.
13. Mobile phones may not be used in the meeting hall, and cameras, tape or video recorders are not allowed in the meeting hall.

Questions

14. Any shareholder or holder of Depositary Interest attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Website information

15. A copy of this Notice can be found at www.gemdiamonds.com.

17. As soon as practicable following the Annual General Meeting, the results of the voting at the Annual General Meeting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each of the Resolutions will be announced via a Regulatory Information Service and will also be placed on the Company's website at www.gemdiamonds.com. A summary of the business transacted will also be available, on written request, from the Company Secretary at the Company's London office.
18. The following documents are available for inspection at the Company's registered office during normal business hours and will also be made available at the AGM:

Ernst & Young LLP has indicated its willingness to continue in office. Accordingly, Resolution 3 will, if passed, re-appoint Ernst & Young LLP as auditors to the Company.

Remuneration of the auditors (Resolution 4)

Resolution 4 will, if passed, authorise the Audit Committee of the Company to set the remuneration of the auditors.

In addition and being a UK listed company, the Board has agreed that in accordance with the UK Corporate Governance Code Principle B.7.1, the whole Board will offer themselves for re-election each year. Authority to allot shares (Resolution 14)

Under Article 3.1 of the Company's Articles of Association, the Directors may only allot relevant equity securities with the authority of the shareholders in a general meeting. Relevant equity securities as defined in the Company's Articles of Association includes the Company's shares. This ordinary Resolution would provide that authority and allow the Directors flexibility to act in the best interests of shareholders, when opportunities arise, by issuing new shares.

Resolution 14 will, if passed, authorise the Directors to allot relevant equity securities up to an aggregate nominal amount of US\$460,890. This represents 33.33 per cent. of the Company's total issued share capital as at 22 April 2013. No treasury shares are held by the Company. If the resolution is passed, this authority will expire on the Company's next Annual General Meeting in 2014.

The Directors have no intention at present to exercise this authority, other than in relation to the Company's employee share arrangements. The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

Disapplication of pre-emption rights (Resolution 15)

Article 3.5 of the Company's Articles of Association prevents the issue of equity securities which are, or are to be, paid up wholly in cash and not first offered to the existing shareholders in proportion to the number of shares held by them at the time of the offer. However, it may be in the interests of the Company, for the Directors to issue shares to shareholders free of the restriction imposed by Article 3.5.

Resolution 15 is conditional on the passing of Resolution 14 and will be proposed as a special resolution and will, if passed, give the Directors authority to issue equity securities for cash without first being required to offer them to existing shareholders. This Resolution will allow the Directors to allot equity securities up to an aggregate nominal value of US\$69,133 which (in accordance with institutional investor guidelines) represents approximately 5 per cent. of the issued ordinary share capital of the Company as at 22 April 2013, without the shares first being offered to existing shareholders in proportion to their existing holdings.

The Directors consider the authority in Resolution 15 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions.

The Directors intend to adhere to the provisions in the Pre-emption Group's Statement of Principles not to allot shares for cash on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5 per cent. of the total issued ordinary share capital of the Company within a rolling 3-year period without prior consultation with shareholders.

Authority to purchase of own shares (Resolution 16)

Article 10.1 of the Company's Articles of Association gives a general authority to the Company to purchase its own shares but that authority is subject to the approval of shareholders. The Directors believe that granting such approval would be in the best interests of shareholders in allowing them the flexibility to react promptly to circumstances requiring market purchases.

Accordingly, Resolution 16, which will be proposed as a special resolution will, if passed, renew the Directors' authority to make one or more market purchases of the Company's shares. The authority contained in this Resolution will be limited to 13,826,718 ordinary shares having an aggregate nominal value of US\$138,267 which represents 10 per cent. of the issued ordinary share capital of the Company as at 22 April 2013. The upper and lower limits on the price which may be paid for those shares are set out in the Resolution itself. This authority will expire on the Company's next Annual General Meeting in 2014 or 30 June 2014, whichever is the earlier.

Shares purchased under this authority may be held as treasury shares. The Company may purchase and hold shares as treasury shares up to a maximum amount equal to 50 per cent. of the nominal value of the issued ordinary shares as at the date of purchase, rather than cancelling them. Shares held in treasury in this way can be sold for cash or cancelled, either immediately or at a point in the future, or used for the purposes of the Company's employee share schemes. The Directors believe that it is desirable for the Company to have this choice and therefore intend to hold any shares purchased under this authority as treasury shares. This would allow the Company additional flexibility in the management of its capital base.

The Board has no present intention of exercising this authority. Shares will only be repurchased for the purposes of employee share schemes, or if the Directors consider such purchases to be in the best interests of shareholders generally and that they can be expected to result in an increase in earning per share. The authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels and the overall financial position of the Company. Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share (unless they are subsequently resold or transferred out of treasury).

As at 22 April 2013 (being the latest practicable date prior to the publication of this Notice), there were 4,501,000 outstanding options granted under all share option schemes operated by the Company and no outstanding warrants. If exercised, the outstanding options would represent 3.26% of the current issued share capital of the Company (excluding any shares held in treasury). If this authority granted under resolution 15 were exercised in full that percentage would increase to 3.62%.
